2 Insured Person

You, the insured person, must be a person with a loan agreement with Standard Bank Vehicle and Asset Finance, who is between 18 and 64 years old when the policy starts.

3 Benefit Plans

You get different benefits from this policy depending on the type of plan you chose.

Monthly reducing balance premium: (Plan A; B; F; C)

Premiums are calculated monthly and based on the monthly outstanding loan amount. The premiums will reduce monthly with the decrease in outstanding loan amount. The benefit amount at claim stage will be the outstanding balance as at the end of the month when the event happened.

Level Premium: (Plan G; H; K; L)

Premiums are calculated on the original loan amount and premiums will stay the same (level) for the duration of the finance term. The benefit amount at claim stage will be the outstanding balance as at the end of the month when the event happened.

3.1 Plan A and G

Death, temporary disability, total and permanent disability and retrenchment.

3.2 Plan B and H

Death, temporary disability, total and permanent disability, dread disease and retrenchment.

3.3 Plan F and K

Death only cover. Cover ends when you turn 75.

3.4 Plan C and L

All plans change to Death only benefit when you turn 65 years and cover **ends** when you turn 75.

Plans A, B and F will change to Plan C when you turn 65 years old. The premiums will be adjusted and the death benefit of **Plan C** will continue until you reach age 75. Cover will then **end**.

Plans G, H and K will change to Plan L when you turn 65 years old. The premiums will be adjusted and the death benefit of **Plan L** will continue until you reach age 75. Cover will then **end**.

Switching between Level Premium (G; H; K) and Monthly Reducing Balance Plan (A; B; F)

If you chose to take the Level Premium plan (G; H or K) and you would like to switch to a Monthly Reducing Balance plan (A; B; F), or if you chose to take the Monthly Reducing Balance plan (A; B; F) and you would like to switch to a Level Premium plan (G; H or K), you will have to start a new contract and your pre-existing condition exclusion (4.2) will start again as from the start of the new plan.

4 Benefits
4.1 Payment of benefits

Liberty Group will **only pay** the benefits of this policy if:

- a** Your claim is valid;
- b** You have paid all your premiums;
- c** All the terms of cover have been met;
- d** You correctly fill in your age and other important information on the application form; **and**
- e** Standard Bank **is entitled to** the benefit.

4.2 Important: Exclusions for Pre-existing conditions

Liberty Group **will not pay** any claim in the first **24 months** after the start, (or reinstatement) of cover arising directly or indirectly from a pre-existing condition you had when cover started.

Pre-existing conditions are:

- Any form of any of the following medical conditions (except for minor sickness, for example a common cold or flu) that I have seen a medical doctor about or been treated for:
 - heart disease or heart attack, high blood pressure or high cholesterol;
 - cancer;
 - stroke;
 - kidney disease;

- depression, epilepsy or fit;
- pneumonia, asthma, TB (tuberculosis) or lung disease;
- disability; and
- diabetes.

- The usage of any kind of chronic, (long-term) medication continuously, for at least six months;
- Having had any special test, (like a scan or X-ray) that was reported as abnormal and required medical treatment;
- Any treatment during the past 24 months for any form of back-illness, hip, knee, or shoulder problem;

If the average monthly amount you owe on the loan increases by 15% (or more) during any 12 months, the **exclusion** for pre-existing conditions applies to the increased amount for 12 months from the last increase.

The exclusion applies only in the first 24 months of cover, thereafter the Insured Person will have full cover.

4.3 Limit of cover

The **highest** cover for each insured person is **R2 000 000**.

4.4 Surrender benefit

This policy has **no surrender cash value**. This means it **does not pay** out anything if you cancel it.

5 Death Cover

If you die while this policy covers you and the claim is valid, Liberty Group will pay the benefit. All cover then ends, and Liberty Group is **no longer liable** under this policy. The death benefit end on age 75.

5.1 Benefit

The death benefit, (on the event date) is the amount you owe on the Vehicle and Asset Finance loan when you die (excluding late payments), together with any interest for up to 90 days. The **most** Liberty Group will pay is **R2 000 000** for each insured person.

5.2 Suicide Exclusion

If you die by your own deliberate actions (commit suicide) within two years of cover starting (or being reinstated), Liberty Group will not pay any benefit.

If the average amount you owe on the loan in one month **increases** by 15% or more during any 12 months, the **exclusion for suicide applies** to the increased amount for 24 months **from the last increase**.

6 Temporary Disability Cover

If you suffer temporary disability as defined below, Liberty Group will pay the temporary disability benefit.

6.1 Benefit

Temporary disability is when you cannot earn money doing any business, activity or job because of:

- illness or disease; or
- an accident (a sudden external, violent, unexpected event which results in injury), which stops you from doing any job or business, directly or on its own.

You are regarded as temporary disabled if you have to stay at home continually or in hospital on medical advice.

The temporary disability benefit is equal to the monthly installment (payment) you must pay immediately before the insured event happens.

Where you pay other than every month, the benefit is the equivalent monthly payment.

If Liberty Group has already paid the full benefits for 12 months under a previous claim, **it will not pay** any further amounts if you become temporarily disabled later.

The policy continues and claims for other benefits can be made.

6.2 When the benefit is paid

Liberty Group will pay Standard Bank the temporary disability benefit while you are ill or disabled, **but:**

- the benefit **will not be paid** during the **first 30 days** of temporary disability;
- the benefit **will not be paid for more than 12 months**;
- if you have only lost part of your income the benefit is less (based on how much you have lost);
- you **must prove** that you are still temporarily disabled;
- the accident, illness or disease that caused temporary disability

must happen during the term of cover and before this benefit expires;

- The benefit will not be paid if a death claim, or total and permanent disability or dread disease claim was paid for any insured person.

Liberty Group regards the temporary disability as ended when its medical adviser says the illness or bodily injury is healed or cured as far as reasonably possible, even if there is still some permanent disability.

7 Total and Permanent Disability Cover

If you become totally and permanently disabled as described below, Liberty Group pays the total permanent disability benefit.

Total and permanent disability is when any accident, or illness or operation:

- completely and continuously prevents you from doing any job or activity in return for money; or
- causes you to lose, or permanently lose the use of both hands, both feet, or one hand and one foot, or to lose sight in both eyes.

7.1 Benefit

The total and permanent disability benefit is the amount you owe on the loan on the event date. (excluding late payments), together with any interest for up to 90 days. The most Liberty Group will pay for the insured person is **R2 000 000**.

The benefit ends when you turn 65. The benefit plan then converts to a death only plan and the premium is adjusted accordingly.

7.2 When the benefit is paid

Liberty Group will pay Standard Bank the total and permanent disability benefit and is then **no longer liable** under this policy if the claim is valid and:

- Liberty Group is convinced the disability is permanent;
- you gave Liberty Group proof of total and permanent disability;
- the accident or illness that caused total and permanent disability happened during the period of cover and before the benefit expires; and
- no claim for death or dread disease for the insured person has been approved.

8 Dread Disease (Critical Illness) Cover

The dread disease benefit will pay the outstanding amount on the loan as at date of diagnosis (excluding late payments) and all cover will end, if:

- you are diagnosed as suffering from a dread disease as defined below;
- you suffer impairment because of the dread disease as defined below during the period of cover; and
- all other claim requirements are met.

Below is the Critical Illness (dread disease) Benefit Disclosure Grid as measured against ASISA dread disease (critical illness) definitions.

The Grid below shows the percentage benefit payable per impairment, severity level. Liberty Group pays 100% of the benefit at all levels of impairment or severity.

	Level A Most serious Impairment	Level B Moderate Impairment	Level C Mild Impairment	Level D Almost full recovery
Heart attack	100%	100%	100%	100%
Coronary artery by-pass graft	100%	100%	100%	100%

8.1 Benefit

The dread disease benefit at the date of claim is the amount outstanding on the Vehicle and Asset Finance loan, excluding arrears, together with any interest for up to 90 days. The **highest** dread disease benefit is **R2 000 000** for the insured person.

8.2 When the benefit is paid

Liberty Group pays Standard Bank the dread disease benefit in full and final settlement of their liability under this policy, if the claim is valid and:

- Liberty Group is convinced by the proof of impairment;
- The impairment happened during the period of cover and before this benefit expires;
- No death or total and permanent disability claim has been approved for the insured person.

8.3.4 Cancer is a malignant tumour (uncontrolled cancerous growth that can spread into normal tissue), including leukemia and Hodgkin's disease (cancer of the lymphatic system) proven by tissue samples.

This policy **does not cover**:

- Any skin cancers except invasive malignant melanomas (cancerous pigment cells).
- Any conditions diagnosed using a microscope as pre-malignant (not cancerous yet) or cancer-in-situ (cancer that has not spread).

8.3.10 Major Organ Transplant is receiving one (or more) of these organs from a human donor in an organ transplant operation: kidney, heart, lung, heart-lung, liver, pancreas, or bone marrow. This policy **does not cover** transplants of any other organs, parts of organs, or any other tissue.

8.3.11 Loss of Speech is permanently losing all ability to speak because of physical damage or disease, and this lasts for at least 12 months. Liberty Group must be told about the loss of speech within three months of the damage.

8.3.12 Multiple Sclerosis is when a specialist neurologist (brain doctor) confirms clinically definite multiple sclerosis. Two separate clinical events must result in permanent neurological injuries involving at least two major areas of the brain, for example the optic nerves or the motor sensory or cerebellar areas.

8.4 Ending Dread Disease Cover

If you chose Plan B or H when cover started, the dread disease benefit ends when you turn 65. The benefit plan then converts to Plan C or L and the premium is adjusted accordingly.

9 Important Conditions and Exclusions applicable for Death, Total and Permanent Disability and Dread Disease (critical illness) cover.

You must provide any reasonable medical evidence of death, total and permanent disability or dread disease (critical illness), and have any medical examination done at your own cost that Liberty Group needs.
