 - 1.1 This agreement is between you and MoneyGram® Payment Systems, Inc. ("we, us and our") acting through the Standard Bank of South Africa Limited ("Standard Bank") being one of MoneyGram®'s service representatives (each one of them, including Standard Bank, a "service rep"). The terms contained in the form are part of this agreement.
 - 1.2 This agreement allows you to receive money that a person sending money to you (the "sender") has agreed to make available to you in a currency and for an amount specified by him, to collect at a MoneyGram® location in the country chosen by the sender, as part of our MoneyGram® Money Transfer service, and we will not charge you for this service. Note that the service is for you to receive money as a private individual known to the sender rather than to receive money as a commercial payment.
 - 1.3 You must sign the form and fully and accurately complete all the sections in it that apply to you. Standard Bank will normally ask for the reference number of the transfer (which you can get from the sender). Please note that the reference number is always required to collect the money.
 - 1.4 You must provide Standard Bank, with what it reasonably believes to be valid identification. For particular transfers (depending on the receive country and amount), Standard Bank may require the correct answer to a test question set by the sender in addition to such identification or in stead of identification.  - 2.3 You can call us to tell you (unless the law prevents us) the reasons for our refusal and how you can put right any errors that led to our refusal. If the sender prefers (and the law allows), or if the law requires, we will return the money to the sender.
- 3 General**
 - 3.1 If the transfer is not made properly or never arrives, we may be liable to the sender. We will not be liable to you, except that nothing in this agreement excludes or limits our liability to the extent that we are unable to exclude or limit it by law.
 - 3.2 We and/or Standard Bank will report money transfers to any government authorities if required to do so by law.
- 3.3** None of our services involve you having a "deposit" or a deposit account with us (or any other company helping with the transfer) at any time.
- 3.4** Some of these conditions are based on expected regulatory requirements that will not be made until after this document is prepared for printing. If any condition turns out to be inconsistent with a regulatory requirement, we will not rely on it but will treat it as if it reflected the relevant regulatory requirement and we will make any changes to these conditions that are required to reflect that requirement when they are next reprinted. (A "regulatory requirement" is any law, regulation, code or industry guidance that applies to us.)
